**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to keep the dynamics of fair competition in all aspects of business and trade. It is especially important for small businesses and even more important as respects the internet. All Americans deserve the right to choose what company they wish to do business with and determine what they can and cannot afford. When mega sized companies kill off the small businesses, no one gets to choose. It is my hope that you will not bend to the will of the large companies and allow competition to thrive.
